THACHI TRAILS

About this expedition:

This is one of its type expedition and first in the history to explore the whole Thachi valley in one go. We will explore the unexplored places and site, some water streams, few grasslands , some peaks and few lush green forests and hidden waterfalls behind the woods and many many more breathtaking landscapes which we can't describe here. There will be time when you won't find you phone network but you will find peace and tranquility.

About Thachi:

Thachi is situated near to Great Himalayan national park .

Distt. Mandi , 3 hours from Manali.

We do not have much population in Thachi. It's just a small valley unknown to most of the world. Thachi is calm and peaceful , snow in winters and lush green old deodar forest in summer , people are good in hospitality . no crime record ever. Go in any direction and you will find something new to explore.
